Studies, Queen's
University

Please join us in person on **Friday, March 22, 2024** from **8:30am-4:00 pm** for the second annual Queen's - BSIA International Migration & Mobilities Graduate Student Symposium

The symposium will consist of 2 panels in which graduate students will share and discuss their current research projects. The symposium will also host two roundtables for students who are currently in the initial phases of their projects. They will share their current progress and future avenues for exploration. Please come ready to discuss with our participants and share feedback.
